

## Institutional level

### Mission statement

*The University of Antwerp offers a socially wise, coherent, clearly structured and future-oriented whole of bachelor's and master's degree courses for students from all levels of society and of all generations.*

### Strategic plan for LLL

1. academic degree oriented study
2. non-degree oriented general education for a wider audience

### Action plan LLL

- blended learning programmes in all faculties
- Centre for Working and Studying since 2008

## Centre for Work and Study

Centrum WeST  
Werken en Studeren  
Universiteit Antwerpen

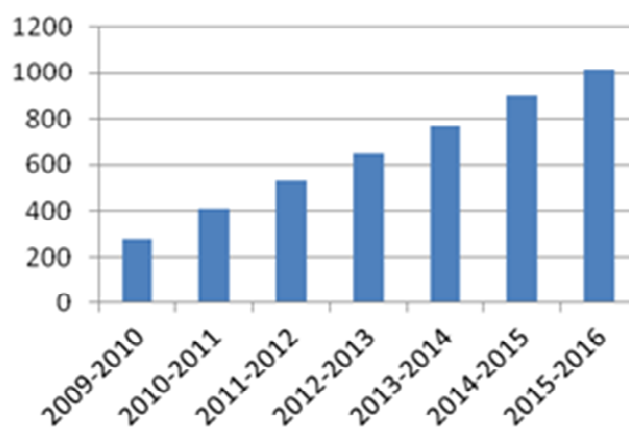

- ✓ widening access to higher education
- ✓ coaching and supporting working students
- ✓ development of courses in blended learning  
in close collaboration with faculty
